

## SUFFRAGISTS FOR T. R.?

At Any Rate There's a Women's National Progressive League.

A hundred women met in the Hotel Manhattan this morning and organized the Women's National Progressive League, with Miss Alice Carpenter as President. Miss Harriet Vittum of Chicago told them that the great meeting of suffragists in Chicago just before the political conventions "ought to be a good opportunity to line up the women for Roosevelt," and effort will be made to swing the suffrage organization for the Colonel. This proposition is certain to create trouble in feminine ranks.

Former Mayor Seth Low announced himself in favor of Roosevelt to-day, saying he hoped the Colonel would be nominee of the Republican convention.

## LAMAR WILL GIVE SELF UP AND GO TO PRISON IN ATLANTA

"Wolf of Wall Street," Sentenced to Two Years, Will Surrender To-morrow.

David Lamar, the "Wolf of Wall Street," is to-day spending his last day of liberty in the East for some time to come. He starts for the South to-morrow and will spend the summer in Atlanta. The United States Supreme Court yesterday granted the motion of United States Attorney H. Snowden Marshall to accelerate the mandate of the lower court, sentencing Lamar to two years in the Federal Prison at Atlanta. The crime of the "wolf" comprised the impersonation of Congressman A. Mitchell Palmer in an attempt to defraud J. P. Morgan & Co. and the United States Steel Company.

Lamar is at present in Washington, at large on \$50,000 bail, under order of the Supreme Court to report at noon every day to Chief Bielaski, head of the Bureau of Investigation of the Department of Justice. The order confirming the judgment of the United States District Court is due here from Washington to-morrow. The filing of the mandate with the Clerk of the Court will complete the record and the judgment then becomes operative.

NOW come the outdoor months when children grow like weeds and put shoes to the test. Our famous orthopedic lasts allow a safe margin for growing feet and we are showing some new play shoes that invite youngsters to do their worst. Priced moderately, too. In fact, you would hardly think leather was scarce and high from the prices obtaining at present throughout our big stock. For example:

Tan shoes for children are scarce elsewhere—these and white shoes are ideal for warm weather. Prices are moderate.  
**\$2 to \$5;**  
depending on size and style.

Children's shoes have a lot to do with their behavior. Well made, properly designed, correctly fitted shoes often prevent irritability.

## PRESIDENT HERE TO-MORROW

Roosevelt Also Coming to Watch Progressives.

Both President Wilson and ex-President Roosevelt will be in New York to-morrow. The President comes to attend the wedding of his physician, Dr. Cary T. Grayson, returning to Washington late in the afternoon. Col. Roosevelt is to keep in close touch with the proceedings of the Progressive Party Executive Committee meeting, which is to discuss what the Progressive convention is to do if the Republicans turn T. R. down.

A number of Democratic politicians "just happened" in town to-day, among them Roger Sullivan, the Democratic boss of Chicago, and his inseparable associate, John P. Hopkins; Norman Mack, Democratic National Committeeman from New York, and former Gov. Eugene Foss of Massachusetts.

Open Air Show Postponed.

Owing to the inclement weather, the opening performance of the Shakespeare Community Masque,

"Caliban," scheduled for to-night in the Stadium of the City College, has been postponed until to-morrow evening. Unless the rain should continue, the original plans will be followed out after the opening performance. A dress rehearsal held last night in the Stadium convinced the managers of the spectacle that congenial weather conditions are essential to the performance.

## OPIUM IN STRONG BOX.

Police Set Trap and Catch Two Chinamen at Work.

Plans of yegmen to blow open a safe supposed to contain \$1,000 worth of opium were frustrated early to-day by the police, who removed the strong box to the Elizabeth Street Police Station from the cellar of No.

34 Mott Street, at the same time arresting Chin Gow, fifty years old, and Chin Fung, twenty years old, the former charged with having opium in his possession, the latter with attempting to bribe his captors. Detectives, on information that the drug was being distributed from the cellar, have been watching the place two months. Six holes had been bored about the combination of the safe.

Widow Trice to End Life.
